**End Corruption. Enforce Accountability. Restore Trust in Government.**

**Congress and the Supreme Court need term limits.** Unlimited terms create unlimited influence peddling and corruption. Washington now rewards longevity over integrity—and citizens pay the price.

**ANTI-CORRUPTION & ACCOUNTABILITY:** Annual net-worth disclosures · Net worth gains exceeding the Standard and Poor's 500 annual return trigger automatic audits · Strict insider-trading penalties

**HEALTHCARE FAIRNESS:** No special healthcare plans for officials · Medicare or open market · Preventative care for all citizens

**CAMPAIGN FINANCE REFORM:** Ban PACs and corporate donations · Cap campaign war chests · Donate to candidates, not parties

**IMMIGRATION:** Allow lawful workers with no criminal record to remain · Grow population through legal immigration · Deport non-citizen violent offenders
